# **IMPORTANT ANNOUNCEMENT: GOVERNMENT BANS WHEEL-CLAMPING AND TOWING ON ALL PRIVATE LAND**

- ✦ **CLAMPING AND TOWING ON PRIVATE LAND IS NOW ILLEGAL**
- ✦ **IF YOU CURRENTLY EMPLOY CLAMPING OR TOWING YOU ARE LIABLE FOR PROSECUTION**
- ✦ **IF YOU CURRENTLY DISPLAY CLAMPING OR TOWING SIGNAGE IN YOUR CAR PARK YOU ARE BREAKING THE LAW**

**Home Office Minister Lynne Featherstone said:**

*“The Government is committed to ending the menace of rogue private sector wheel-clampers once and for all. For too long motorists have fallen victim to unscrupulous tactics by many clamping firms. Reports of motorists being marched to cash points or left stranded after their car has been towed are simply unacceptable.”*

*“A ban on clamping and towing on private land will end this abuse and companies who decide to flout new laws will face severe penalties.”*

**EVERYTHING PARKING LTD OFFER A LEGAL, LOW COST OR FREE,  
ALTERNATIVE TO CLAMPING AND TOWING**

**PLEASE TURN OVER FOR PROFESSIONAL AND IMMEDIATE ASSISTANCE...**

By following our simple three step solution, you can rid yourself of the need to clamp and tow, but still legally manage and control your valuable car parking spaces and service areas:

**Step 1 – Call or e-mail for a prompt on-site meeting - followed by a professional survey and report**

**Step 2 – We will design and manufacture at no cost, legally compliant signage (As approved by the BPA)**

**Step 3 – Everything Parking will swiftly introduce an alternative car park control and management system**
